VISA ON ARRIVAL

Visa on Arrival is issued at port of entry in Nigeria.

NOTE: Successful online payment is not an approval. Applicant should not proceed to Nigeria until receipt of 'Visa on Arrival Approval (VoA) Letter'

The VoA facility is available to frequently travelled High Net Worth Investors and intending Visitors who may not be able to obtain visa at the Nigerian Missions/Embassies in their countries of residence due to the absence of a Nigerian Mission in those countries or exigencies of urgent business travels.

Eligibility

- Frequently travelled Business Persons of International Repute

Note: *Visa on Arrival is available to citizens of all countries except ECOWAS Nationals who do not require visa to visit Nigeria and other countries which Nigeria has entered into visa abolition agreements.*

How to Apply for Visa on Arrival

Step 1: Get Visa on Arrival Approval Letter

There are two methods to obtaining VoA approval letter: applying through email or in person application by representative in Nigeria.

2. Applying through your representative in Nigeria

- i. Contact your Representative (Business partners, Company Representative, Protocol/Liaison Officer, etc) in Nigeria.
- ii. The representative files a formal request for Visa on Arrival Approval on your behalf by writing an application letter to The Comptroller General of Immigration, NIS HQ, Abuja stating the following:

- Name of Applicant indicating Nationality, Passport Number of visitor

Step 2: Pay for Visa

Fill in the application form with your correct details and make payment online via NIS official website www.immigration.gov.ng

Online Payment may also be made at point of arrival subject to presentation of Visa on Arrival Approval Letter. Master Card, Visa and American Express Card are acceptable.

Step 3: Arrive at the Port of Entry and Proceed for Immigration Clearance.
